Art.Nr. 381.04.21
Packaging Unit: 12 pcs

- High Carbon Steel Blade
- Dynamic Torsion Action: prevents pencil tip from "springing out"

Line Art

Enjoy precision with a touch of elegance!

The KUM Line-Art pencil sharpener seamlessly blends functionality with a unique, eye-catching design. Featuring a dual-layer tactile glitter print, it undergoes a hot foil stamping process followed by screen printing, creating a stunning finish that shimmers beautifully in the light.
