KUM® 3-in-1

Combo sharpener + eraser

The 3-in-1 combines an eraser and sharpener in one. Two sharpeners for 8 mm and 11 mm pencils ensure perfect points, while the integrated eraser makes mistakes disappear in seconds.

With its elegant black design and secure dust cap, it keeps everything clean and in place. Durable, practical, and always ready for use.

KUM® Big Snap

Our new all-round sharpener comes in two striking designs.

Be Creative was created from the handwriting of artist Juro, known on Instagram as @juro_13.

The new Big Snap sharpener is simple, robust, reliable, and has just the right amount of character.

KUM® The Unbreakable

The sharpener that delivers what it promises!

No more broken sharpeners, here comes The Unbreakable. Thanks to its robust container and shatterproof lid made of extremely durable material, it is nearly indestructible.

The KUM® Dust-Stop® system also ensures that sharpening waste stays where it belongs.

Modern design meets maximum durability!

KUM® Spitzblick

Top performance – made visible

The KUM® Spitzblick is available in three bright colors and impresses at first glance.

The transparent viewing window and magnifying glass offer the perfect “spitzblick” (sharp view) into the interior of the sharpener. This allows you to see exactly when the container is full and how beautiful the many colorful shavings look inside.

The KUM® Spitzblick is suitable for pencils with a diameter of 8 and 11 mm.
